Design

Brian Alfred

Application

Walls

Characteristics

Content: 65% Cellulose, 35% Latex
Finish: PFAS-Free Protective Topcoat
Backing: None
Reference Dimension: 10' H x 36' 8" W (305cm x 1118cm)
Traffic: Moderate Traffic
Customs: Repeatable, Scalable
Country of Origin: USA
Note: Colors depicted are not an exact representation of the final product. Please request a substrate sample for accurate quality and color reference.

Price

Installation is sized, priced and produced on a project-specific basis.

Maintenance

W-Clean with water-based cleanser.

Testing

Flammability: AS/NZS 3837 Adhered
ASTM E84 Adhered
ISO 5660 Adhered

Lightfastness: AATCC 16.3, 40+ hours

Environmental

Greenguard Gold Certified
LBC Red List Free
Contains Bio-Based Content
FR Free
Free of Intentionally Added PFAS

Brief

Endless City is based on several photographs Alfred took while traveling through Japan by train in the summer of 2015. It was initiated as a large-scale painting and then recreated as a digital drawing. Alfred renders a dense, panoramic cityscape using flattened planes of color that at once capture both the specificity and anonymity of an urban environment.

Warranty

3 years. See Terms and Conditions for more information.
