ISO 5660 Adhered

Lightfastness: AATCC 16.3, 40+ hours  

Environmental

Greenguard Gold Certified  
LBC Red List Free  
Contains Bio-Based Content  
FR Free  
Free of Intentionally Added PFAS

Brief

Skywiper 122's hallucinatory suffusion of color was created by infecting a digital photograph of a painting with Skywiper, a computer virus used in cyber espionage. Through randomized striation, Hoff references the inherent disorder of technological communication and the ways in which destruction is often self-inflicted unknowingly by participants within digital networks.

Warranty

3 years. See Terms and Conditions for more information.
